

TUCANO PERU
MICE

LET US HELP YOU DESIGN YOUR NEXT INCENTIVE OR MEETING TRIP

For over 10 years, Tucano Peru has successfully provided innovation and expertise in meeting and incentive planning.

Event management requires the meticulous planning and execution of a large number of small steps that have to be precisely orchestrated to fall in the right sequence. It also involves the delicate and intricate management of people and things to come together at the right price, time and place. It is project management with specific fields of knowledge about venues, suppliers, hotels, car rentals and flights. This knowledge can only be accumulated through hands-on experience and time.

MEETINGS
EVENTS
INCENTIVES

- Incentive Travel for Groups and Individuals
- Sales Conferences and Meetings
- Corporate Retreats
- Product Launches
- Group Travel
- Continuing Education Seminars

CUSTOMIZED EVENT MANAGEMENT

- Precise analysis of your corporate event objectives
- Detailed cost estimates and strict budgetary control
- Present a variety of carefully researched event proposals
- Negotiate, supervise and liaise with suppliers from start to finish
- Creative theme development to communicate your message
- Manage registration and follow-up
- Select banquet and meal plans to best suit your group and budget
- Coordinate audio/visual and technical services
- Create teasers, signage and promotional collateral
- Coordinate decor, entertainment and activities
- Provide accurate and timely invoices

HANDS ON SERVICE

Event management requires the meticulous planning and execution of a large number of small steps that have to be precisely orchestrated to fall in the right sequence. It also involves the delicate and intricate management of people and things to come together at the right price, time and place.

It is project management with specific fields of knowledge about venues, suppliers, hotels, car rentals and flights. This knowledge can only be accumulated through hands-on experience and time.
